Principal's Report

Our enrolment at the end of 2020 was 270 students. The school is mindful of the growth in the Shepparton North area and acknowledges the need to provide a quality educational institution. We completed the oval, drainage and rural irrigation project in 2018. This has provided a wonderful area for sport and recreation.

Our main 'aspirations' for 2020 (2020-2022 strategic plan) are:

Leadership- To build a collaborative school culture to support high levels of collegiality, teamwork and dialogue about practice.

Catholic Identity- To foster connections with our Catholic identity, the Emmaus story and the history of Australia, including the Aboriginal story

To sustain belief of Gospel stories by making them meaningful and relevant to student lives

Learning & Teaching- To build competencies in Literacy & Numeracy

To build a feedback culture to support student & staff learning

Pastoral Wellbeing- To foster a spiritual, healthy, safe and hope filled community that nurtures and develops the dignity of each individual

To actively build and promote the wellbeing of members of the school community

Learner Diversity- To create positive connections with internal and external supports

To foster successful learners, confident and creative individuals and informed students

Stewardship of Resources- To further develop and maintain quality learning spaces for students

To provide employees with quality work areas and resources

Toward the end of 2019 we were successful in our Non-Government Schools Capital Fund grant to the value of \$5,000,000. This grant will allow the replacement of portable GLA's with purpose built permanent facilities. Throughout 2020, planning took place for the start of the project in January 2021. Although 2020 was impacted by the Pandemic, we continued to develop as a community. As a community we will plan for future challenges using the experience of 2020.
