

LORD, I am not worthy that you should enter under my roof, but only say the word and my soul shall be healed."

LENT is part of our journey

Ash Wednesday was a little over a week ago, so we need to revisit our lenten promises. How am I going? God invites us to be healed; God wants an invitation into our lives and Pope Francis also enters our lives and heals.

We can all be disciples and heal. It does not take much. The children at St. Luke's are encouraged to think of others and treat each other as they would like to be treated.

St. Luke's Catholic Primary School acknowledges the Bangarang and Yorta Yorta people, the traditional custodians of the land on which our school is situated. We commit to working in partnership with Aboriginal people for reconciliation and justice.

Looking Good

You may have noticed a couple of things at the front of the school and around the grounds. We thank "Frank", our maintenance man for keeping the stadium tidy, removing some bushes, fixing our fence and some pruning outside my office window. We know this is part of Frank's work, but we appreciate his efforts. Our friends at Emmaus continue to keep our lawns looking good and keep an eye on our sprinklers. We are very fortunate to have them work with us.

Apology Anniversary Breakfast

Last Friday morning a number of students, parents and staff attended the Anniversary of the Apology by Prime Minister Kevin Rudd on 13th February, 2008. Hunter Montgomery (Prep), Noah O'Dwyer (Year 6), Hailey Moffatt (Year 6), Flynn Tonks (Year 5) and Mrs. O'Keeffe joined me for the morning. There were a number of parents who also took their children along and also represented our school so proudly. Uncle Paul Briggs OAM spoke to us and we listened to others speak about the importance of continuing to build relationships amongst all people. We were entertained by the beautiful voice of Rachel Wirrpanda and we participated in a minute silence with the amazing sound of the didgeridoo. It was a privilege to join many other schools and the Shepparton community.

Year 6 Leadership Day

Last Friday's Leadership day at St. Mary's Mooroopna was sensational. Mr. Butts and St. Mary's hosted the day and did a fine job. Speakers on the day included: Uncle Leon Saunders (Yorta Yorta & Dja-Dja Wurrung Elder), Damian Drum (Member to Northern Victoria region), Paul Desmond (Director Catholic Education Sandhurst), Brady Threlfall (Elite Middle Distance Runner & a DP) and the Notre Dame School Captains. We were also entertained by a Notre Dame band, the 'Frontiers' (I hope I got that correct!). Our speakers all approached leadership from their own experiences and had us all listening and reflecting on our life experiences. During Mr. Desmond's time as a Principal he encountered many fine students, but he spoke about one young student who inspired him. This young lady had the will and determination to live with not being able to walk- a truly inspiring story. I am sure we have all been inspired by those younger and older. I know I have been and next week I will share a story of a student who has taught me that we are never too old to achieve our dreams, no matter what they are.

Visitors to St Luke's

We welcomed several visitors from the CEO during the week. Part of their visit included a quick tour of our school. I know I have only been here for a month, but I was so proud to show off our school and the students. We have a great school and we are all excited about what lies ahead.

TIPS FOR PARENTS

WHAT'S GOING ON- Some people know a lot about their child's school; others may be ill-informed. To get a better understanding get involved in many opportunities throughout the year. Read the newsletter, be part of Community Group functions, use our Skoolbag App, Facebook, Twitter and email system. Another great way, is just talking to others about your child's school. We often forget about the best way- talking! If you think we could be better at communicating ideas, tell someone who can pass these ideas onto me or let me know. I think St. Luke's does a great job in communicating ideas (parents, staff & students), but we all welcome new ideas.

Thank you:

Mr Harmer for all his preparation so far this year (Opening mass, reflections and Ash Wednesday liturgies)

- Year 6 and their teachers> great involvement at the Year 6 leadership day
- Sporting community Group> creating opportunities for our students
- School Photos> looking beautiful

My journey continued... After 11 years in Young (Cherry Capital), it was a challenge to leave, not only for me, but for Nicole because she was born and bred there. Matilda was 1, and our little family was excited about the next stage. St. Anne's is a central school K-10. Kindergarten in NSW is the equivalent to Prep, so I am getting use to saying Prep! My 9 years at St. Anne's were wonderful. Seeing students from 7-10 communicating and working with the K-6 children is very special. During my time at St. Anne's I had the opportunity to teach in Primary and Secondary. Only last year (to help out and further connect with the secondary students) I chose to teach year 10 Religion and team teach Year 7/8 PDHPE. Although it was a challenge to juggle being a Principal of a K-10 school and teach, it was very enjoyable and rewarding.

I reignited my soccer and cricket careers in Temora, after a couple of years off (I did play a little AFL in Ballarat during my uni days). I was very involved in both during my time in Young, but as we all know too well, you need a rest or help at some stage. It is important to have some out of work interests and sport is one of these, along with my faith, family and beloved Vege patch. A bit late planting this season due to our move, but it is in full swing now. Since I was a little boy, I have always had a vege patch. I guess it was my way of modelling my dad as a farmer. Many of us look up to our parents and I am no exception. Next week, I will pause my story and share with you, some mentors throughout my journey. Year 6 were fortunate to listen to some great speakers last week and they made me reflect on important people in my life.

Thank you for your smiles each day!

Making Jesus Real

The main aim of the Making Jesus Real (MJR) program & the bottom line of Catholic Education is to get students to be aware that they have the spirit of Jesus within them. This is expressed each day by the simple little things we do and say (smile, wave, saying please and thank you, helping people, giving encouraging words, volunteering at home etc, just like you do in your busy life. MJR is simple as we are already doing it and it is just a matter of being switched onto the way we G.T.S. (Greet Treat and Speak to people). These are some of the great MJR initiatives that students can do to bring the spirit alive within themselves and those around them.

- * Be a GIVER rather than a taker.
- * Be a better team player at home (doing as they are asked cheerfully and saying thanks at home a least 4 times daily).
- * Positive attitude to people and life, Believe in themselves (B.I.Y).
- * Be a Grinner and Winner rather a moaner and groaner, Take the good with the bad.
- * Search for the hero inside yourself, search for the secrets you hide.
- * Model at all times WEST attitude
- * Looking at qualities and they picking 3 that they aim to be by the end of the year.
(kind Friendly Encouraging, compassionate, helpful, giving of themselves, include others, welcoming, attitude of Gratitude, humble, forgiving, etc.).
- * Peer pressure. "If you want to fly like an eagle don't hang around with the turkeys."
- * Born to try, "the future lies in my hands"
- * Reflecting over my day, 3 things that I should be thankful for that happened today. "A day is wasted if you don't reflect on it. Where was the spirit of Jesus in my life today?"
- Compass points for life. Class go through MJR pick 20 attitudes they want for life, bring it down to 10 then 5 and then 1 which is the "Key to their life" the 10 are their compass points for life, we then do orienteering with compasses around the school to get the message.

Scripture Focus: Each fortnight our school community will focus on a piece of scripture linked to a social skills focus to make that important connection between our lives and the life-giving message of God's Holy Word.

'Be wise in the way you act towards each others. Your speech should always be pleasant and interesting.' Colossians 4: 5.

Whole School Social Skills Focus: For weeks 3 & 4 our social skills focus is **MANNERS**.

1. Saying 'Please' when asking.
2. Saying 'Thank you' when something is done for you.

Throughout the year we invite our families to reinforce each set of social skills that are the focus for our fortnight. These social skills link with the Making Jesus Real (MJR) program in our school. Our MJR focus for this fortnight is:

USE THE BIG 'T' WORD - Thanks

Sunsmart (endorsed by VicHealth & Cancer Council Victoria) requires schools to comply with the guidelines set out in their policy document.

Some important points from this policy are;

- Sun protection is enforceable from September to the end of April or whenever the ultraviolet radiation (UV) level reaches 3 or more, not just Term 1 and Term 4. A balance of UV exposure from sunlight is important for health. This is why the morning playtime is not subject to 'no hat no play' school policy.

PREPS - WEDNESDAY'S

Just a reminder that Preps do not attend on Wednesday's until Wednesday 9th March (after the Pupil Free day on the 7th).
Thank you.

Studyladder

Dear Parent/Guardian,

This is a courtesy letter to inform you that your child's class is now using a free version of Studyladder, an online educational program which allows students to learn at their own pace.

About Studyladder

Studyladder is a web based educational program designed by teachers. The program is curriculum based and covers Mathematics, Literacy as well as other subjects. Your child has been given a username and password which can be used to access Studyladder.

Recovering previous points and rewards

If your child had a previous account, use the following steps to recover their past rewards and points:

1. Log in to their NEW school account
2. Click on the MENU option
3. Select RECOVER POINTS and enter the OLD username/password

All of their past rewards will be recovered. This will also upgrade their new account if the previous account had premium paid access.

Using Studyladder

It is not compulsory for your child to use Studyladder at home, however regular access will help them reinforce what they have been taught in school. It will also help to build their confidence through practice.

Safe Internet Usage

Your child will NOT be able to chat with anyone using Studyladder. However, we still encourage you to supervise your child at all times when using the internet.

Using Studyladder from home

Simply go to www.studyladder.com.au and login using your child's school username and password. The free version allows students to access tasks set by their teacher (it is optional for parents to upgrade if they wish to give their child unlimited home access). As a parent you can join Studyladder for free if you wish to monitor your child's progress.

If you have any questions please contact your child's teacher or email support@studyladder.com.au

Children's Chatter Matters!

Ten activities will be provided each term focusing on key areas of oral language supporting literacy. Feel free to adjust these activities according to your child's grade level. Ten activities will be provided over this term targeting phonological awareness skills. Phonological awareness is one of the key building blocks for reading and writing. It is listening to, and thinking about the sounds in words.

4. For every simple question you ask your child, ask two *complex* ones. You can even do this while watching television or when they're playing computer games. For example;

- ♦ Simple question: What game are you playing? (This only requires a one word answer)
- ♦ Complex questions: Tell me how you can get to the next level? What would you do if that happened to you? Why did you make that move?

Remember: "Just because" is not an acceptable answer.

How the program works,

Customers that join Fairleys Supa IGA Community Rewards program receive a bar coded key tag that needs to be scanned at the checkout each time they shop Fairleys Supa IGA supermarket or liquor store in Shepparton, so points can be allocated.

Customers have the choice on joining, to allocate their points to a community group or collect personal rewards for those points. The basis for points is one point for every \$1 spent plus numerous bonus points ranging from 5-50 points for specific single ticketed product purchases.

Community groups that are nominated by the customers to receive these points will receive 1cent for each point at the end of each financial year. The average shopper spending \$100 per week will as a result of this process earn for a charity \$50+ per year therefore 100 supporters shopping regularly could equate to thousands of dollars for your group.

Personal Rewards where customers opt to not donate their points, will be offered from the Rewards showcase in-store as well as selected lines specially ticketed cross the store.

EcoStore is a retail outlet to sell much of the produce from EcoPark. A variety of seasonal herbs and vegetables, sauces, chutneys, eggs and wooden and ceramic craft items are available to the community.

Come in and explore the many items that are on display and purchase your favourite produce.

EcoStore provides experience for people to further their work skills and create pathways to employment.

Speaker: Rev Joan Fisher

Joan is a retired Uniting Church Minister, now living in Shepparton. Her many years of ministry included 71/2 in Mooroopna and 5 in Albury-Wodonga. Joan has, for many years, been interested in international justice issues.

In 2013, Joan travelled to Israel, visiting many of the places of Jesus' ministry and hearing from local Jewish, Muslim & Christian people. In Bethlehem, a Palestinian pastor who could trace Palestinian Christians' history back to Pentecost shared their story of 'Al Nakba' ['The Disaster'] as Palestinians describe the creation of the State of Israel. He expressed great concern that thousands of Christian pilgrims come to see the Holy Land's ancient stones, but show no interest in hearing about how Palestinian Christians, the 'living stones', suffer under military occupation.

Joan had previously heard of the **Ecumenical Accompaniment Program in Palestine & Israel** coordinated by the World Council of Churches which brings international volunteers to the West Bank to witness life under occupation, to engage with local Palestinians & Israelis pursuing a just peace, to change the international community's involvement in the conflict, urging them to act against injustice in the region. On retirement, she took up this challenge.

In 2015, Joan spent 3 months in the West Bank as an Ecumenical Accompanier.

Joan will present her experience then you get a chance
