

Friday of the 3rd Week of Easter

Communion Antiphon today:

The Crucified is risen from the dead and has redeemed us, alleluia.

We live for hope and Jesus' resurrection on Easter Sunday is this hope. At assembly on Monday the Year 5/6 students shared a reflection about Easter Sunday. Their words, actions and art work gave us a sense of hope. We need to all be disciples of Jesus and tell the world about the Good News. When we tell people about St. Luke's Catholic Primary School, do we mention our Catholic Identity? St. Luke's exist because of our Catholic Identity. We celebrate this so well at school and you all have something to do with that.

I did not take this photo but it reminds me of the last couple of mornings driving to school. We are experiencing beautiful weather with amazing mornings. The sun is a symbol of the 'Risen Lord' and we are greeted by this every morning, even when it is a little overcast. Jesus is still with us on these gloomy mornings. I pray that we are greeted with a gloomy morning soon with rain to follow.

PRINCIPALS REPORT:

Welcome Back everyone to Term 2!! I think we were blessed with two weeks of true Autumn weather. I love this time of the year when things are changing. The morning are superb out here at school when I arrive. There is a peacefulness we just would not experience in a larger city.

I think back to January when I would be walking around the shops in Shepp and I didn't know anyone. During these holidays, it was nice to wave at the odd family and have a chat.

School Board

On Tuesday night we welcomed Phil Bretherton from our CEO. Phil is the Assistant to the Director, Governance, Research & Communications. We had 9 new parents attend the meeting, 2 apologies, 2 current board reps, and myself. This is very exciting and a great opportunity for the next stage of our school board formation.

Where to now: We have an AGM set down for the 26th April. Leading up to this we will speak with those who attended the meeting and see if they are wanting to join the current board this year or in the future. At the 26th April meeting we will look at forming our board and consider office bearers. Once we have our 2016 board we will start looking at our Mission/Vision for St. Luke's and develop a strategic plan which includes many things happening already.

If anyone was unable to make Tuesday night's information session and would like to know more, please give me a call.

I hope you all received the calendar earlier in the week. Thank you for developing this. Just a reminder that we will still place upcoming dates in the newsletter and add/edit events in the Skoolbag app.

Last weekend I am sure some people were involved in the basketball weekend. I had my first taste of watching a game in Shepparton. I was able to catch up with some university friends from Ballarat and Portland, while their children took the court.

It was great to come into school last Monday and see the smiling faces again. Looking forward to a great term of learning and fun!

CURRICULUM UPDATE:

Children's Chatter Matters!

Ten activities will be provided each term focusing on key areas of oral language supporting literacy. Feel free to adjust these activities according to your child's grade level. Ten activities will be provided over this term targeting phonological awareness skills. Phonological awareness is one of the key building blocks for reading and writing. It is listening to, and thinking about the sounds in words.

- 1. Have a box of different items collected from around the house e.g. items found from the playroom, the kitchen, the bathroom and the bedroom. An object is picked out of the box and is named, the next person must supply another word that is related to it. The game continues until a player gets stuck and cannot think of another word. Ask your child to justify how the words are related also – the relationship between the word may not be immediately obvious until they explain it e.g. Pig – Sheep – Cow (all farm animals) – flamingo, galah (all pink)**

Making Jesus Real

The main aim of the Making Jesus Real (MJR) program & the bottom line of Catholic Education is to get students to be aware that they have the spirit of Jesus within them. This is expressed each day by the simple little things we do and say (smile, wave, saying please and thank you, helping people, giving encouraging words, volunteering at home etc., just like you do in your busy life. MJR is simple as we are already doing it and it is just a matter of being switched onto the way we G.T.S. (Greet Treat and Speak to people). These are some of the great MJR initiatives that students can do to bring the spirit alive within themselves and those around them.

- * Be a GIVER rather than a taker.
- * Be a better team player at home (doing as they are asked cheerfully and saying thanks at home a least 4 times daily).
- * Positive attitude to people and life, Believe in themselves (B.I.Y).
- * Be a Grinner and Winner rather a moaner and groaner, Take the good with the bad.
- * Search for the hero inside yourself, search for the secrets you hide.
- * Model at all times WEST attitude
- * Looking at qualities and they picking 3 that they aim to be by the end of the year.
(kind Friendly Encouraging, compassionate, helpful, giving of themselves, include others, welcoming, attitude of Gratitude, humble, forgiving, etc.).
- * Peer pressure. "If you want to fly like an eagle don't hang around with the turkeys."
- * Born to try, "the future lies in my hands"
- * Reflecting over my day, 3 things that I should be thankful for that happened today. "A day is wasted if you don't reflect on it. Where was the spirit of Jesus in my life today?"
- Compass points for life. Class go through MJR pick 20 attitudes they want for life, bring it down to 10 then 5 and then 1 which is the "Key to their life" the 10 are their compass points for life, we then do orienteering with compasses around the school to get the message.

Scripture Focus: Each fortnight our school community will focus on a piece of scripture linked to a social skills focus to make that important connection between our lives and the life-giving message of God's Holy Word.

'Whatever your task, put yourselves into it, as done for the Lord'

Col. 3:23

Whole School Social Skills Focus: For week 1 our social skills focus is **EXCELLENCE**.

- | | |
|----------------------------------|-------------------------|
| 1. Trying to do and be your best | 2. Presentation of work |
| 2. Aiming high | 4. Being Modest |

Throughout the year we invite our families to reinforce each set of social skills that are the focus for our fortnight. These social skills link with the Making Jesus Real (MJR) program in our school.

Our MJR focus for this fortnight is: **MAKE LIFE HAPPEN—LIFE IS WHAT YOU MAKE IT**

How the program works,

Customers that join Fairleys Supa IGA Community Rewards program receive a bar coded key tag that needs to be scanned at the checkout each time they shop Fairleys Supa IGA supermarket or liquor store in Shepparton, so points can be allocated.

Customers have the choice on joining, to allocate their points to a community group or collect personal rewards for those points. The basis for points is one point for every \$1 spent plus numerous bonus points ranging from 5-50 points for specific single ticketed product purchases.

Community groups that are nominated by the customers to receive these points will receive 1cent for each point at the end of each financial year. The average shopper spending \$100 per week will as a result of this process earn for a charity \$50+ per year therefore 100 supporters shopping regularly could equate to thousands of dollars for your group.

Personal Rewards where customers opt to not donate their points, will be offered from the Rewards showcase in-store as well as selected lines specially ticketed cross the store.

EcoStore is a retail outlet to sell much of the produce from EcoPark. A variety of seasonal herbs and vegetables, sauces, chutneys, eggs and wooden and ceramic craft items are available to the community.

Come in and explore the many items that are on display and purchase your favourite produce.

EcoStore provides experience for people to further their work skills and create pathways to employment.
