

"Be the Face of Mercy"

Our school's theme this year works in with the *Year of Mercy*. "Jesus Christ is the face of the Father's Mercy" (Pope Francis).

As a community we will break open our theme throughout the year and make links with our Making Jesus Real (MJR) focus each week. St. Luke's Catholic Primary school is a caring community and we do show Mercy. Let's celebrate this throughout the year.

BE- sometimes we need time just to be. With Lent beginning next week, now is a good time to start preparing for this beautiful journey. Any journey we experience we do not walk alone.

FACE- we can all be the Face of Jesus Christ. I, (Mr. Keenan) have seen Jesus working in others since I arrived at Luke's. This is God's plan, for us to be disciples and care for each other.

MERCY- we may struggle with forgiveness at times, but if we are making an attempt at showing Mercy for others, then we believe Jesus would be happy.

"Do to others as you would have them do to you... Be merciful, just as your Father is merciful." (Luke 6: 31,36)

PRINCIPALS REPORT:

The excitement has continued at St Luke's this week. It is always a sensational sign when the students consistently say hello even after a full week of school. I continue to feel blessed that I am Principal at St. Luke's. This is no fluke. You have all created a beautiful culture, which is welcoming, friendly, with a real passion to educate all the beautiful minds (your children).

As I sat down with staff at our first staff meeting teachers were smiling, maybe a little tired, but there was still laughter. I get a real buzz when people laugh. We all know that we send our children to school for an education, and laughing and fun must be a major part of this.

Hello Night

Last night we had the opportunity to gather. Again, the friendly culture I have mentioned was on display. The classrooms looked fantastic and the students' were proud to showcase their room. I put on my Dad's hat for a short time and visited Year 5 and Prep. I really liked what I saw as a parent, and I must make an appointment and share my praise with the Principal!

Opening Mass

Today we had the opportunity to celebrate how grateful we are for St. Luke's Catholic Primary School. Our opening mass was perfect timing. While we celebrated all what is great about St. Luke's, we had time to prepare for the season of Lent. Often, through prayer we ask for things from God. Today I found myself 'thanking' God for letting me be part of this community. Sometimes, the first opening mass is a little daunting for some, students and parents. Please ask, if you are not sure about something.

I know that due to our geographical position in Shepparton, we don't get to St. Brendan's as much as we would like. But, we will be celebrating mass at St. Brendan's once a term, mass in our classrooms and next week, celebrate Ash Wednesday in our Learning Communities. Fr. Joe and the staff will continue to walk the journey with your children every day.

Opportunities

As you can imagine each day I am experiencing something for the first time. That just adds to the excitement. Next week is a big week, as we have the Board meeting, Community Group AGM, Prep information night, Year 6 Leadership day at Mooroopna and the Apology Breakfast. We also welcome our colleagues from the CEO at different stages during the week.

Thank you:

- Year 5/6 buddies- they continue to support our little ones in Prep. The second week can be a challenge for Prep after they have spent two days at school and then the weekend at home.
- All students- for saying hello and encouraging others (MJR- E for Encouragement)
- Community- attending the Hello night and our Opening Mass
- Staff- thanks for being patient with a new Principal

My Journey

I mentioned last week that I would share a little about myself over the year. Well, I might start with where my journey started. I am originally from Griffith in the Riverina. I went to St. Mary's Primary, Yoogali, 7-10 in at Catholic High (now known as Marian College) and Years 11/12 at St. Gregory's College, Campbelltown (a Marist school). I am the youngest of 4, with my two brothers and sister living in Griffith with their own families. We grew up on the farm (Wine grapes & citrus), so the irrigation channels and this time of the year really reminds me of my time on the farm. My Dad died in December 2013, aged 71. Like any child, I miss him immensely but celebrate how Mum and Dad brought us up. Mum is well and she can't wait to spend some time in Shepparton and witness an 11:00am mass!

The Little Black Book

This can be purchased from St Brendan's Church for \$5. It is a six-minute reflection on the Wednesday Gospels of Lent.

Take care and have a great weekend.

Principal

Making Jesus Real

The main aim of the Making Jesus Real (MJR) program & the bottom line of Catholic Education is to get students to be aware that they have the spirit of Jesus within them. This is expressed each day by the simple little things we do and say (smile, wave, saying please and thank you, helping people, giving encouraging words, volunteering at home etc, just like you do in your busy life. MJR is simple as we are already doing it and it is just a matter of being switched onto the way we G.T.S. (Greet Treat and Speak to people). These are some of the great MJR initiatives that students can do to bring the spirit alive within themselves and those around them.

- * Be a GIVER rather than a taker.
- * Be a better team player at home (doing as they are asked cheerfully and saying thanks at home a least 4 times daily).
- * Positive attitude to people and life, Believe in themselves (B.I.Y).
- * Be a Grinner and Winner rather a moaner and groaner, Take the good with the bad.
- * Search for the hero inside yourself, search for the secrets you hide.
- * Model at all times WEST attitude
- * Looking at qualities and they picking 3 that they aim to be by the end of the year.
(kind Friendly Encouraging, compassionate, helpful, giving of themselves, include others, welcoming, attitude of Gratitude, humble, forgiving, etc.).
- * Peer pressure. "If you want to fly like an eagle don't hang around with the turkeys."
- * Born to try, "the future lies in my hands"
- * Reflecting over my day, 3 things that I should be thankful for that happened today. "A day is wasted if you don't reflect on it. Where was the spirit of Jesus in my life today?"
- Compass points for life. Class go through MJR pick 20 attitudes they want for life, bring it down to 10 then 5 and then 1 which is the "Key to their life" the 10 are their compass points for life, we then do orienteering with compasses around the school to get the message.

Scripture Focus: Each fortnight our school community will focus on a piece of scripture linked to a social skills focus to make that important connection between our lives and the life-giving message of God's Holy Word.

'Listen to the LORD who created you. O Israel, the one who formed you says,

"Do not be afraid, I have called you by name; you are mine." Isaiah 43:1-2.

Whole School Social Skills Focus: For weeks 1 & 2 our social skills focus is **USING NAMES OF PEOPLE.**

1. Teachers' names.
2. Students' names.
3. Parents' names.
4. Greeting others in the mornings.

Throughout the year we invite our families to reinforce each set of social skills that are the focus for our fortnight. These social skills link with the Making Jesus Real (MJR) program in our school. Our MJR focus for this fortnight is:

WELCOME - INCLUDE

USE THE BIG 'E' WORD - Encouraging Words

Thanks again to everyone for collecting the stickers and we look forward to participating in the program again later in the year.

Sunsmart (endorsed by VicHealth & Cancer Council Victoria) requires schools to comply with the

guidelines set out in their policy document. Some important points from this policy are;

- Sun protection is enforceable from September to the end of April or whenever the ultraviolet radiation (UV) level reaches 3 or more, not just Term 1 and Term 4.

A balance of UV exposure from sunlight is important for health. This is why the morning playtime is not subject to 'no hat no play' school policy.

CURRICULUM UPDATE:

Children's Chatter Matters!

Ten activities will be provided each term focusing on key areas of oral language supporting literacy. Feel free to adjust these activities according to your child's grade level. Ten activities will be provided over this term targeting phonological awareness skills. Phonological awareness is one of the key building blocks for reading and writing. It is listening to, and thinking about the sounds in words.

2. Find compound words in your child's book/reader and practice breaking the word into two separate parts. For example 'bookshelf' is made up of 'book' and 'shelf'. Can you think of other compound words you could make? For example: bookend, bookmark, bookstore, bookcase...

Here are some practice words: toothbrush, shoelace, bowtie, football. As a harder task, remove one part of a compound word, and ask your child to say what part of the word is left. For example, "What's left if I take away 'rain' from 'rainbow' = (bow)".

How the program works,

Customers that join Fairleys Supa IGA Community Rewards program receive a bar coded key tag that needs to be scanned at the checkout each time they shop Fairleys Supa IGA supermarket or liquor store in Shepparton, so points can be allocated.

Customers have the choice on joining, to allocate their points to a community group or collect personal rewards for those points. The basis for points is one point for every \$1 spent plus numerous bonus points ranging from 5-50 points for specific single ticketed product purchases.

Community groups that are nominated by the customers to receive these points will receive 1 cent for each point at the end of each financial year. The average shopper spending \$100 per week will as a result of this process earn for a charity \$50+ per year therefore 100 supporters shopping regularly could equate to thousands of dollars for your group.

Personal Rewards where customers opt to not donate their points, will be offered from the Rewards showcase in-store as well as selected lines specially ticketed cross the store.

When you see these signs while shopping, you can earn bonus points for each item purchased, every week!

Lunch Orders: Lunch order day is Wednesday, please remind your child to place their lunch order in the lunch tub first thing in the morning, please only large brown lunch bags available from the office - \$2 for 50. If there are any discrepancies with lunch orders, the matter is to be dealt with on the day of the lunch order. Children need to tell their teacher or come to the Office straight away. Thank you.

DON'T FORGET TO

DONATE your non fragile goods into the St. Vinnie's collection bin located to the right of the Gathering Space, close to the staff carpark. We welcome regular donations of clothing, blankets, linen etc. for distribution through our local Vinnies' Store. Thank you.
