Mary MacKillop remind us always,  
we are but travellers here in this world.

# PRINCIPALS REPORT

**Congratulations Mrs. Hicks** on receiving the Graduate Certificate of Education (Assessment and Learning) through Australian Council of Educational Research (ACER). It is a great achievement for anyone to study while working full-time. Mrs. Hick's graduation is Monday night, but she will be on the Year 5/6 excursion. Well done Michelle from all of us!

**All the best to our netballers** this Sunday at the St. Brendan's Netball carnival. We hope you have fun!

As mentioned the **Year 5/6 students and teachers** will be on their excursion next week (Mon-Wed). We hope they have a great time and enjoy taking a step back in time exploring the Gold Rush.

There is too much **sports equipment being left out after school**. Could parents ask their children to put the equipment away after they use it please, otherwise all balls/bats will be locked in classrooms each afternoon. If any children see any equipment lying around could you please put it in the nearest sport bin. It is a major problem on Tuesday/Wednesday while sport training is taking place. If you are staying at school and letting your children play (which is fantastic in this weather at the moment), please supervise them.

**Trivia Night-** I have heard this is a great night. Please grab a ticket and join around 100 people at the moment, on Saturday 13th August.

## Child Safe

You can find our policies on the webpage under the download tab. Throughout the year we will share via the newsletter, ways we can help empower our young people. We will also keep you updated with any news and information.

## Early pick up / Appointments

Just a reminder that if you need to pick up your child early or for an appointment, you must come into the office first and sign your child out. Please do not go straight to the classroom.

Have a great weekend.

David Keenan- Principal.

3. Using appropriate "Leader's Language"

Throughout the year we invite our families to reinforce each set of social skills that are the focus for our fortnight. These social skills link with the Making Jesus Real (MJR) program in our school.

## Curriculum Update:

### Children's Chatter Matters!

Ten activities will be provided each term focusing on key areas of oral language supporting literacy. Feel free to adjust these activities according to your child's grade level. Ten activities will be provided over this term targeting phonological awareness skills. Phonological awareness is one of the key building blocks for reading and writing. It is listening to, and thinking about the sounds in words.

4. For every simple question you ask your child, ask two *complex* ones. You can even do this while watching television or when they're playing computer games.

#### Simple ?

What ?  
Where?  
When ?

#### Complex ????

Why ?  
How ?  
If ?

For example;

Simple question: What game are you playing? (This only requires a one word answer)

Complex questions: Tell me how can get to the next level? What do you would you do if that happened to you?, Why did you make that move?

Remember: "Just because" is not an acceptable answer.

### Round 13 Report

It doesn't take long and we have only one game left on the netball fixture. This Saturday we have our final round of netball for 2016. Let's hope the weather is on our side and we are all able to take the court and put all our training and new skills we have learnt throughout the year into practise on game day.

Girls take the opportunity to turn around and say **Thank You** to your Coach, Team Manager and Loyal Supporters (Mum's and Dad's) who are there for us all, through cold winds and more cold winds to ensure we get on the court and play the game we love so much with our friends. **THANK YOU.**

This Sunday the 7th August we have three teams being represented at the St Brendan's Netball Carnival. Thankyou to all our coaches who are available to make this day possible for the girls to be a part of. A great day is had by all with netball and more netball being played across the day in a round robin style competition. Good Luck Girls and enjoy the day. Remember the tournament will go ahead in the rain! So be prepared.

**All players are required to be at the courts by 8:45am.**

### ST LUKE'S SCHOOL SHEPPARTON NORTH

Throughout Lent, students learnt about people in underdeveloped countries which inspired their major fundraiser – walking Caritas Ks around the Emmaus Oval. All 220 students walked for two hours in solidarity with those children who have to walk that long every day to get to school as in some of the Project Compassion stories. The students gathered in their sport houses and tried to do as many laps as possible. For every lap students completed they received a stamp, representing 50 cents they would donate. Once all the stamps are counted they vowed to bring that total amount of money to school the next day to give to Caritas. It wasn't really about how many laps they completed but that they acted in solidarity, Mark DPRE
