Shepherd of the flock

"When he has brought out his flock, he goes ahead of them, and the sheep follow because they know his voice"

AND we witnessed this gospel from 1/2K at assembly. I made reference to this sentence from last week's Gospel during our School Board and Community Group Meeting. A familiar voice is comforting for everyone. A teacher and their class, a shepherd and their flock.

Mother's Day- We pray for all our mum's and special people in our lives. The little things you do for your children are the most treasured. I love when I go home to my mum. Even at my age I still like when my mum spoils me.

Loving God, we thank you for all mothers, for all that they share with us, and do for us. We thank you especially for our mother's love, which is always there for us. Jesus cared for and loved his own mother, Mary; we ask you to help s always to appreciate and love our mothers (The Australian children's Prayer Book)

St. Luke's Catholic Primary School would like to acknowledge the Yorta Yorta Nation, whose clans include Bangerang, Katcheban, Wollighin, Motra, Uluwarr, Koori Koori, Yalaba Yalaba and Ngurai-illiam-wurrang, as the Traditional Custodians of the land on which our schools are situated.

PRINCIPALS REPORT:

OPEN DAY 19th MAY

Please share this event. As communicated via email yesterday, we need some more helpers. Current parents are the best advocates to promote our school so we would love a range of helpers across P-6. Please contact Sue Preston on 0408597469 if you can help. There are two sessions 10:00am and 12:00pm.

MOTHER'S DAY STALL

Thank you to Kaylene Armstrong and her helpers for organising today's stall. I love seeing the children choosing and buying.

BOARD and COMMUNITY GROUP MEETINGS

What a great couple of meetings! I have been going to these meetings for many years and I am really enjoying the enthusiasm and positive conversations from those who are attending. We are all striving to provide the best for our children and respecting the ideas of each other.

EMMAUS OVAL

We thank NDC for allowing us to use their oval at lunch time. Mr Damian Smith, who has replaced Mrs Susan Nabbs for the rest of the year, was very enthusiastic about making it work for us. I know I have enjoyed watching the children stretch out. It gives us even more motivation to get our oval underway. Parts of the current section of grass which are roped off will be available next week. The weather has been kind to us.

MASS- a first for St. Luke's and Notre Dame

Next Wednesday 300 Year 9 students and 243 St. Luke's students will come together for the first time in our stadium and celebrate the Eucharist. Fr. Berny will join us in our Monsignor Jeffrey Stadium at 12:00pm. All parents are invited. We know that the acoustics are not great but I don't think Jesus would have worried too much about acoustics during his ministry 2000 years ago. We will update the stadium in good time, but for now we are excited about coming together.

UNIFORM

The weather is good, but getting cooler. As teachers we are encouraging the correct uniform be worn, but we fully understand that some orders are in the pipeline. I also know that some boys may be also stretching the conversation around pants been worn. Our uniform policy states, that pants must be worn.

WWCC

A hot topic!! Even the Richmond football team have experienced this in recent times. As teachers, as parishioners, as sporting coaches, managers, parents... it is a part of life. Getting the WWCC is one thing, but there is a process to follow. This will involve a transition/information document and a role description. The staff is going through this at the moment for the Parish, even though we all have WWCC as staff members of St. Luke's.

Have a great weekend

B.A., LL.B (UQ), B.Theol (MCD), M.A. (St.Bon.U), Ph.D.(Leeds)

Matthew Beckmann is a Franciscan friar who teaches in the areas of Systematic Theology and Church History. His interests lie in the interplay of those two disciplines, how historical events shape theology and how theology, in turn, drive history.

He is a medievalist by training but also works with the theological ideas about salvation and redemption, the theology and history of the Franciscan Order and how theological ideas are disseminated and diffused.

He has worked for many years in the area of Justice, Peace and the Integrity of Creation and is part of the University's Centre for Religion and Social Policy. He enjoys being back at Yarra Theological Union where he began his theological studies.

Matthew will take the approach of the 'Blessings' from Martin Luther. What good did he do the church & still inspires us to do!

Tallygaroopna Kindergarten 2018

The current hours for kindergarten at Tallygaroopna are 6 hour sessions (9 – 3). The committee has been informed that this will change as of 2018 down to 5 hour sessions (9 – 2). We are seeking feedback from as many families as possible, whether you will be utilizing the service next year or in the future. We want to present the feedback to the Shepparton council to try & reverse their decision. We would love to hear how this change might impact your lives or your decision on which kindergarten to send your children. Can you please make contact with the kindergarten by email tallygaroopna.kindergarten@shepparton.vic.gov.au or just call in to fill out a questionnaire.

Your input would be greatly appreciated

Thankyou
