DO NOT BE AFRAID (Mt 10:26-33)

In the face of adversity, Jesus continued to talk with people and proclaim the Good News of the kingdom. He displayed courage and God believed in him. We may struggle to be courageous. My faith was challenged as young man in his 20s. I was senior coach of my local soccer team and I went to Sunday 9:30am mass rather than travel on the team bus to our game. I drove and arrived around the same time but received a few comments. I had to be courageous. We are very fortunate in Shepparton to have many choices to attend mass at different times during the weekend. We can choose from three parishes without really traveling too far.

"Courage is the willingness to act in spite of fear"
(Michael Hyatt)

St. Luke's Catholic Primary School would like to acknowledge the Yorta Yorta Nation, whose clans include Bangerang, Kaitheban, Wollithiga, Moira, Ulupna, Kwat Kwat, Yalaba Yalaba and Ngurai-illiam-wurrung, as the Traditional Custodians of the land on which our schools are situated.

Principals Report:

As part of our ongoing commitment and support of Child Safe in schools we will share snippets from policies on an ongoing basis. These policies are on our webpage. As 'volunteers' Child Safe must become the norm.

This week's snippet:

NOTE: A Working with Children Check is a minimum requirement of a school's Duty of Care – it provides evidence that a person has not been found guilty of sexual abuse. It does not endorse any person as being suitable to work with children. Systematic and rigorous screening processes also need to be undertaken in every school to reduce as much as possible the risk of harm to any student.

Priests in our dioceses attended a retreat this week. We keep all priests in our prayers. They play an important part in many lives. They offer support before, during and after death. They marry us, offer guidance and support, celebrate sacraments and care for others in so many ways. Many of us think of retirement around a certain age. We all say 70 isn't old, and it isn't, but not many of us are still working full time at 70. Many priests and religious are still ministering to others on a full-time basis at the age of 70. Their calling to the vocation of priesthood (religious life) is truly sacred.

Semester Reports

These will be sent home next week. There will be a cover letter accompanying the reports.

Last week of Term 2

We finish at 2:15pm next Friday. See the Year 6 flyer for details regarding casual clothes and an invitation to parents. The community group will have a BBQ (Sausage sandwich) available for all children, but helpers to serve and a couple of chefs will be needed for this to go ahead.

Have a great weekend.
David Keenan.

Making Jesus Real:

MJR Focus:

Ask the Big Question—Where was Jesus in my Life Today

Whole School Social Skills Focus:

For week 11 our social skills focus is

Thankfulness

1. Being grateful for what we have.
2. Saying thank you.
3. Looking on the bright side

Throughout the year we invite our families to reinforce each set of social skills that are the focus for our fortnight. These social skills link with the Making Jesus Real (MJR) program in our school.

Our MJR scripture for this fortnight is:

"And what ever you do, in word or deed, do everything in the name of the Lord Jesus, giving thanks to God the father through him."

Colossians 3: 17

Lunch Orders:

Lunch order day is Wednesday, please remind your child to place their lunch order in the lunch tub first thing in the morning.

If there are any discrepancies with lunch orders, the matter is to be dealt with on the day of the lunch order. Children need to tell their teacher or come to the Office straight away.

Please only use the large brown lunch bags available from the office - \$2 for 50.

EcoPark provides practical approaches to sustainability. The park explores food production, recycling, solar energy and water conservation. EcoPark promotes a healthy and sustainable environment.

Working with nature
EcoPark brings ecological sustainability to life with a variety of learning adventures. The adventures are exciting, diverse and accessible. These include growing food, recycling, worm farming, raising chooks and our wood working shed. Many people who work at EcoPark have introduced the skills to their home gardens, having chooks and growing vegetables.
