**Saints Joachim and Anne, the parents of Blessed Virgin Mary,  
Wednesday 26th July.**

On Wednesday I joined many people at the new site in Kialla for the 'Blessing and Turning the soil' for the new P-12 school, St. Anne's. St. Anne's hopes to promote the MARIAN dimension of our Christian Identity: 'Mary as the Mother of God, Mother of the Church and Mother of us all.' Anne, as too di Mary, said YES to God's call. ***'To let the children come to me for to them belongs the kingdom of God'.***

Mr Dom Poppa (Principal), Fr Joe Taylor, Mons. Peter Jeffrey & Mr Tom Sexton (CEO)

We wish these above people and all those in CESM (Catholic Education Shepparton Mooropna) all the best. Building will begin within the month with the plan of the school beginning with Foundation (Prep) and Year 7 in 2019.

St. Luke's Catholic Primary School would like to acknowledge the Yorta Yorta Nation, whose clans include Bangerang, Kaitheban, Wollithiga, Moira, Ulupna, Kwat Kwat, Yalaba Yalaba and Ngurai-illiam-wurrung, as the Traditional Custodians of the land on which our schools are situated.

Each year we provide CECV with this information. Due to changes in Federal Government funding this NCCD will be a guide for funding in all schools.

## MEN ALIVE Weekend 21/22 October, 2017

Men Alive is a National Catholic ministry to men, its purpose is to bring men together and help them explore what makes them feel fully alive. Through a variety of events and programs over the course of the weekend, men are encouraged to explore what God would want for their lives and how they might come to experience the fullness of life that God wants for us all.

Our men's group meet this Sunday night the 30th July at 5pm for a pizza and film night at the parish centre (all welcome). There will be a short information session at the start of the night presented by a couple of members of the national Men Alive team.

*The school community is asked to please pray for our sacramental candidates and their families as they continue on their journey to becoming fully initiated into the Catholic Church.*

## Making Jesus Real:

### MJR Focus:

"What's In It For Me?"

### Social Skills Focus:

For week **2** our social skills focus was

### Consideration

1. Thinking of others and their feelings
2. Letting others go first

Throughout the year we invite our families to reinforce each set of social skills that are the focus for our fortnight. These social skills link with the Making Jesus Real (MJR) program in our school.

"A little consideration, a little thought for others, makes all the difference."  
~ Winnie the Pooh

www.herquotes.com

Our MJR scripture for this fortnight is:

"Love your neighbor as yourself" **Matt 22: 39**

## Curriculum Update:

### Children's Chatter Matters!

#### Term 3 : Language Learning activities

**Week 2.** For every simple question you ask your child, ask two complex ones. You can even do this while watching television or when they're playing computer games. For example;

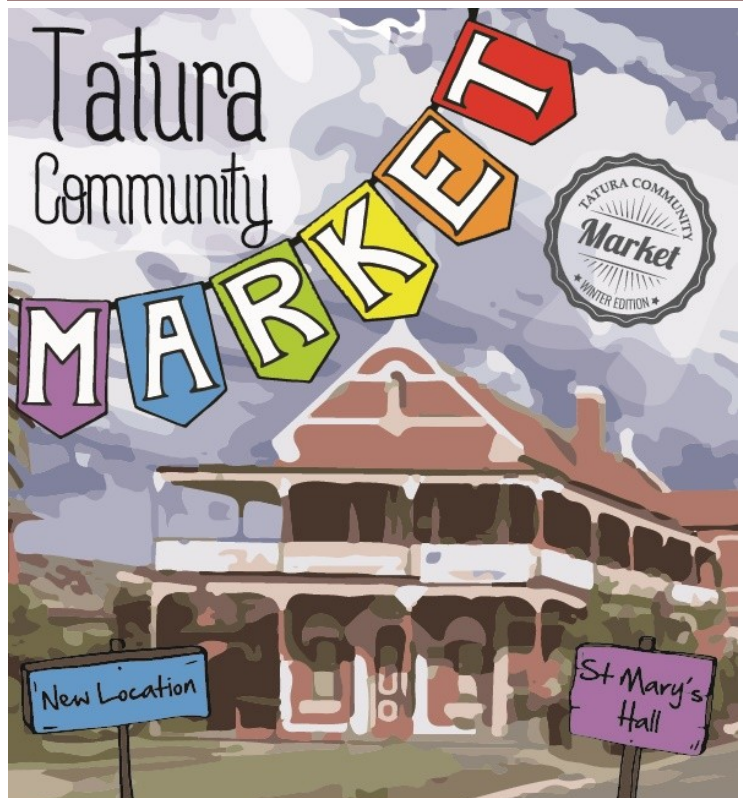

Simple question: What game are you playing? (This only requires a one word answer)

Complex questions: Tell me how can get to the next level? What do would you do if that happened to you?, Why did you make that move?

**Remember: "Just because" is not an acceptable answer.**

## What's on:

**Saturday 22nd July - 9am to 1pm**

St Mary's Hall, Hogan St, Tatura.

Wine demonstration, food, produce & crafts

For more information including stall holder enquiries please call the Tatura Community House on 5824 1315.

## Cyber Safety

**SNAPCHAT-** The latest update of SnapChat now tracks your child's location, and marks their location on a map for other users to see. If I didn't have mine on ghost mode, you would be able to see my exact location of where I am while writing this post. If I was at home, you would be able to see not only my specific position marked on my street, but an exact aerial PHOTO of my house. To turn off this function, go into yours / your child's SnapChat account, and follow the instructions below:

1. Open the app and immediately scroll down.
2. Click on the settings button (the gear icon) in the top right hand corner.
3. Scroll down and under the 'Who can..' section, click on 'See my location'
4. Turn on 'Ghost Mode'

This is absolutely imperative to do on your account and especially your child's account as soon as possible. Please implement these changes immediately and spread the word to other parents to warn them about this danger.

Snapchat is for 13 years and over and 'Commonsense Media' recommend 16 +

<https://www.commonsensemedia.org/app-reviews/snapchat>

### Snapchat tips

Only me (ghost mode): App defaults to this after the update and your location won't be visible on the map.

My friends: Your friends will see your location on the map. Select friends: Only friends you choose will see your location on the map and friends you select won't be notified you've selected them.

To edit settings: Tap on the cog wheel in the top right corner of the map screen

Report a snap: Go to the snap you want to report > press and hold the snap > tap the square button in the bottom left corner
