Pope St Pius X (1835-1914)

He was born in Riese, near Venice. His family was very poor. He was elected Pope in 1903. He insisted on the separation of Church and State. He lived in great poverty, even as Pope and preached his sermons in the courtyards of the Vatican to anyone who would listen. He died on 20th August 1914, broken-hearted at the outbreak of the First World War.

"If the sun shines in your soul, does it matter if it rains outside? Happiness

within overlooks any sadness the outside world may bring (author unknown- simplicity calendar)

At the end of a day we want to head home to our home and family. I felt like this on Wednesday, but I experienced a great staff meeting, before a quick stop home (always great to be a dad and let my guard down), before heading to the Parish Pastoral Council (PPC) dinner and meeting. After a beautiful dinner we discussed mental health and what we can do as a parish to raise awareness and support others. We were then treated by a conversation with some special guests. Some people may remember that our Parish raised funds on Mother's Day for Project Montana in Timor. Geoff and Vicki Woodhouse spoke to our parish about their experiences in Timor Leste and how Geoff volunteered his dentistry skills to help people. Vicki then started helping out with sewing. It is an amazing story about 'things happening for a reason'. God is at the centre of this story. On Wednesday night we listened to Angela, an 18 year old young lady who thanked our parish and shared her story. She said, "Why have I been chosen to come to Australia?" She had tears in her eyes as she spoke and so did I. This young lady knew 'nothing about nothing' (quoted from Angela). I was truly touched by her story and her values. She has an amazing faith. My faith was so much reinforced by the shared story of Angela, Gisele (from Brazil), Geoff and Vicki. This all started when Gisele and her husband (an architect) found themselves in Timor Leste. I will share their story one day.

I walked to my car in the church carpark after the meeting, got in, and drove home thinking about the evening and said to God, "thankyou".

St. Luke's Catholic Primary School acknowledges the Bangarang and Yorta Yorta people, the traditional custodians of the land on which our school is situated. We commit to working in partnership with Aboriginal people for reconciliation and justice.

PRINCIPALS REPORT

Yesterday, we went to St. Mel's and I joined staff members (14) from all our schools in the GV Deanery. We helped out while the staff and families attended the funeral of Rashaun Manzone, a Year 6 student who died on Sunday August 7. We continue to pray for the family and The St. Mel's community. As I sat with Jen Amadei in the St. Mel's office, I prayed for our Sandhurst Diocese and thanked God for the support we show each other in Catholic Education.

N_APLAN

NAPLAN results have arrived and we sent home the Year 5 results today. Due to the year 3/4 excursion we will send home their results on Monday. NAPLAN is a national assessment tool. It is one assessment we use as a school to evaluate what we are doing. Any professional educator would agree that we need to continually evaluate. If I asked a pediatrician, an occupational therapist, a builder, a farmer, a bricklayer, a parent or any other professional, we would all agree that we must evaluate current practice. I am witnessing some great teaching, awesome use of technology and discussions about values and Jesus at St. Luke's. If there are common patterns (positive or negative) from NAPLAN we will look at this as a staff and use our discussions to form our goals for our school and your child.

At our staff meeting meeting on Wednesday I reminded staff that they are professional educators. I trust their vision and dreams for inspiring your children to excel. We don't always have the answers, but we try very hard to find them.

Raising Awareness

There are many events which raise awareness. Today, I read that Shepparton is holding a 'Bloke's Lunch' to raise awareness for Prostate Cancer. I hope it is very successful and YES, these events raise awareness. Another event is 'Relay for Life' and we are looking at being a part of this in 2016 or in the future.

I may have to get all our men to join 'MOvember' and hold a men's night towards the end of November. I believe we should lead by example, so the challenge is out there to the males on the school board!! And every Dad/Grandad. Maybe we could extend the challenge to the males in our parish. Stay tuned for any developments. I hope I still have a School Board after this announcement.

Community Group Report- I will include a summary next week, I was not able to attend as I was at the PPC meeting.

Student Activities

Another great week to be a student. Our Year 5/6 girls had a great day in Bendigo playing netball on Wednesday. Thank you Miss Dainton and parents.

Our year 3/4 students, teachers and some parents have hopefully enjoyed a great couple of days away in Beechworth. We look forward to hearing about it.

Family Challenge

Keep an eye out on our school Facebook page for a family video challenge.

I finish by thanking the Kilmartin family for inviting us to celebrate Bonnie's life. Last Monday was Bonnie's one year anniversary. On Tuesday 3/4C (Ollie) shared a beautiful prayer and release of balloons with Bonnie's family. It was very moving.

Take care everyone.

Whole School Social Skills Focus:

For week 6 our social skills focus is **HONESTY**:

1. Being 'self-honest.'
2. Being honest with others.
3. Always telling the truth, no matter what the consequences.

Throughout the year we invite our families to reinforce each set of social skills that are the focus for our fortnight. These social skills link with the Making Jesus Real (MJR) program in our school.

Our MJR scripture for this fortnight is:

An honest answer is like a kiss of friendship - Proverbs 24:26

Curriculum Update:

Children's Chatter Matters!

Ten activities will be provided each term focusing on key areas of oral language supporting literacy. Feel free to adjust these activities according to your child's grade level. Ten activities will be provided over this term targeting phonological awareness skills. Phonological awareness is one of the key building blocks for reading and writing. It is listening to, and thinking about the sounds in words.

6. If your child has Show and Tell or News in their class, practice what they will say the day before. Use these picture prompt to guide their language.

For example: Who gave it you? Where do I use it? What do I do with it? What's it like? (Encourage a detailed description) Use joining words to describe why I brought this item along today. For example: "I like my *brand new* Spongebob toothbrush because it's *really soft* and doesn't hurt my gums."

Tech Tips @ St Luke's

Apps can be a great way to consolidate learning in a fun and creative way.
An app that the Junior Learning Community love using is
'Gobbling Goblins' by the Australian Broadcasting Corporation.

It encourages students to :

- develop confidence with number sequences to and from 100 by ones from any starting point
 - Skip count by 2's, 5's and 10's starting from zero.
- Represent and solve simple addition and subtraction problems using a range of strategies including counting on, partitioning and rearranging parts.

Netball

Netball Coordinator:

Jo Zampaglione: 0448 218 784

Our Grade 6 girls played their **Semi Final** last weekend. A first quarter burst from GVGS and our challenge was set. The girls should be congratulated for giving the best they possibly could with no signs of giving up. But despite an even score last half, the girls went down 15 to 25. Coaches Award went to Lidia Amadei. The girls have a second chance as they finished on top of the ladder and will play Guthrie Street in the Preliminary Final on Saturday @ 10:30am. Good Luck Girls and we have no doubt you will make us very proud. If you are free come on down to the Brauman St Netball Courts and help cheer the girls along.

Netball Victoria School Girls Championship's

A 7am departure time and a bus full of eager Grade 6 & 5 girls, we headed to Bendigo on Wednesday to participate in the Netball Victoria School Championship's. This was a new experience for all our girls and only knowing that they had 9 rounds of netball ahead of them. Over 600 teams had entered from more than 220 schools this year and this meant the competition was skilled and fast. We certainly had to dig deep in very warm playing conditions.

Round 2 of the draw saw our girls playing each other as the competition was a primary division and not by grades. The cheers from the sidelines were fierce and evident by the number of people curious to what was happening on Court 6. This was obviously the highlight of the day with the game ending in a draw - 6 all!

Despite the results, the day was a huge success with all girls giving the tournament a big thumb up. We look forward to 2017!

Thank you to all the parents who made trip to Bendigo. Ensuring the girls were supported from the sidelines, shaded and fed. Not to mention the coffee ladies who made the early morning dash for the parents caffeine needs.
